

September 29, 2009

Dear Principal/Athletic Coordinator

Malvern Prep School will be hosting a swim meet for boys in the 4th through 8th grades. Boys would be representing your school in this event. It gives your male students an opportunity to participate for their school in the sport that many of them may participate during the year for an area team or summer club swim team. The meet is on Sunday October 25th. There is an open house and entrance exam for perspective students on that day.

Most schools offer the major sports in their athletic program and that is great. Participating in several sports while in the elementary/middle school environment is the best possible scenario for young athletes. It allows them to experience the different facets that each sport presents. Your school may have some outstanding swimmers who would like to bring recognition to themselves and their school. This meet will afford them that opportunity.

Please pass this meet information on to appropriate person(s) who handles the school's athletic or physical education program. If you have any questions concerning this meet or other aquatic programs at Malvern Prep, please contact me at (484) 595-1145.

Sincerely,

Paul Hornsleth
Aquatic Director
Malvern Prep
